CLERK, U.S. DISTRICT COURT

P.O. Box 1000

Re: Case No. 17c0441, Judge
Thomas M. Dunkin: Court Appointed
Attorney Inquiry

Dear Court Clerk:

The Court has informed me
that my motion for appointment of
counsel remains under advisement.

I understand that this pro-
cess can be slow-paced. But,
I'm in a vulnerable situation.
When I was transferred to Mevard
CC, the inmate whom assaulted
me, and several of his mob
were also transferred here.
I am constantly being threatened
by the G.D mob.

(1)

I am afraid to sign back into P.O.C (protective custody), because when I was at Stateville, I was constantly denied P.O.C. It made the situation worst for each time that I was released back into general population, other inmates labeled me as a snitch and coward.

I've been doing my best to stay in my cell, and stay away from the G.O.D. Mob. But when I run into some of them, they threaten to harm me the first chance they get.

I've constantly written grievances, but I haven't received any responses.

If possible, I really would appreciate ~~it~~ if the Court would process my attorney request,

So that he/she can find out why my grievances are not being answered, and get me help.

I've written several lawyers requesting pro bono assistance, but I've been denied. The attached letters are enclosed.

Thank you in advance for any assistance you can provide.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "A. T. Telford". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Re: Pro Bono Request

Dear Legal Advocate:

I was assaulted by an inmate, and taken to an outside hospital, and received 38 staples in my head due to the prison's unsafe conditions and deliberate indifference to my safety.

I have a civil complaint that is currently in the U.S. Dist. Court for the Northern Dist. of Illinois; Case No. 17-C-0441.

I do not have an attorney, and requests that this office represent me pro bono in my civil complaint.

I look forward to your response.
Thank you,
